1. Accessing and Logging into ISIMS

The Valley View University Integrated School Information Management System (ISIMS) allows students to access important academic and administrative services online.

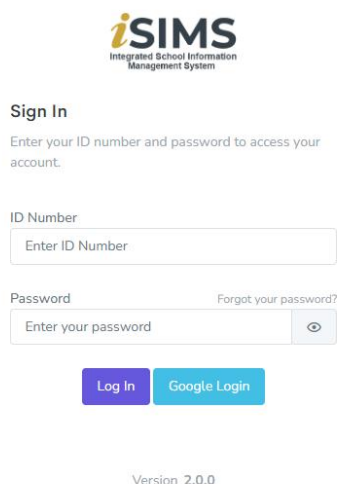

These services include:

- Course registration
- Viewing account status
- Hostel accommodation applications
- Cafeteria feeding selections
- Other student-related services

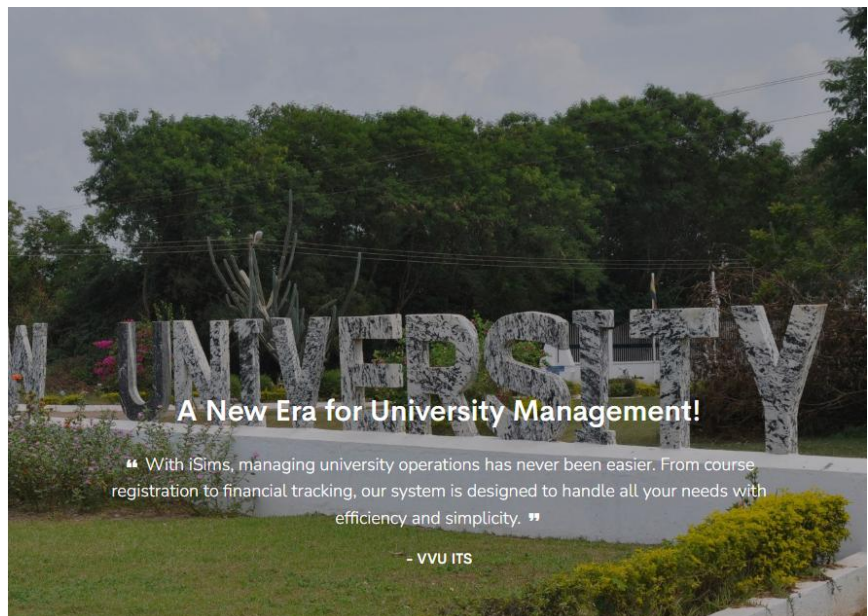

Step 1: Open the ISIMS Portal

Open a web browser such as Google Chrome, Microsoft Edge, or Mozilla Firefox.

Enter the following address: <https://isims.vvu.edu.gh>

The screenshot shows the ISIMS login interface. At the top is the iSIMS logo with the text 'Integrated School Information Management System'. Below it is a 'Sign In' section with the instruction 'Enter your ID number and password to access your account.' There are two input fields: 'ID Number' with the placeholder 'Enter ID Number' and 'Password' with the placeholder 'Enter your password'. A 'Forgot your password?' link is next to the password field. Below the fields are two buttons: 'Log In' (purple) and 'Google Login' (blue). At the bottom, it says 'Version 2.0.0'.

Step 2: Log In

Enter your:

- Student ID
- Password

Click the Login button.

The screenshot shows the iSIMS login interface. At the top is the iSIMS logo with the text "Integrated School Information Management System". Below the logo is the heading "Sign In" followed by the instruction "Enter your ID number and password to access your account." There are two input fields: "ID Number" with the placeholder text "Enter ID Number" and "Password" with the placeholder text "Enter your password". A "Forgot your password?" link is located to the right of the password field. Below the input fields are two buttons: "Log In" (purple) and "Google Login" (teal). Two large blue arrows are overlaid on the image, pointing to the "ID Number" and "Password" input fields respectively.

Step 3

Check your registered email address for the password reset email. Open the email and follow the instructions to create a new password.

If you do not receive the password reset email, contact the Admissions and Records Office for assistance.

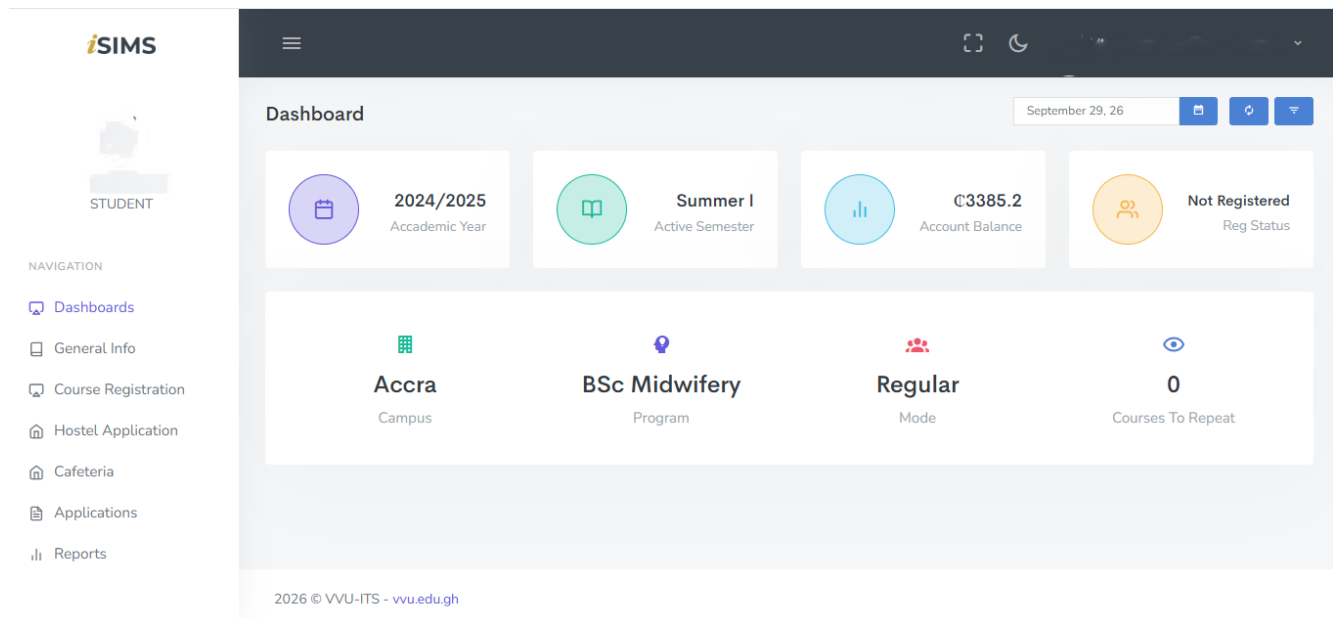

2. Dashboard Overview

After successfully logging in, you will be taken to your ISIMS Student Dashboard.

The dashboard provides important information about your student account.

You may see information such as:

- Account Balance
- Registration Status
- Other available student services and notifications

Screenshot 5: Student Dashboard

Important

Before attempting to register for courses, make sure your account balance meets the minimum required balance for registration.

If your balance is below the required amount, you may not be able to complete course registration.

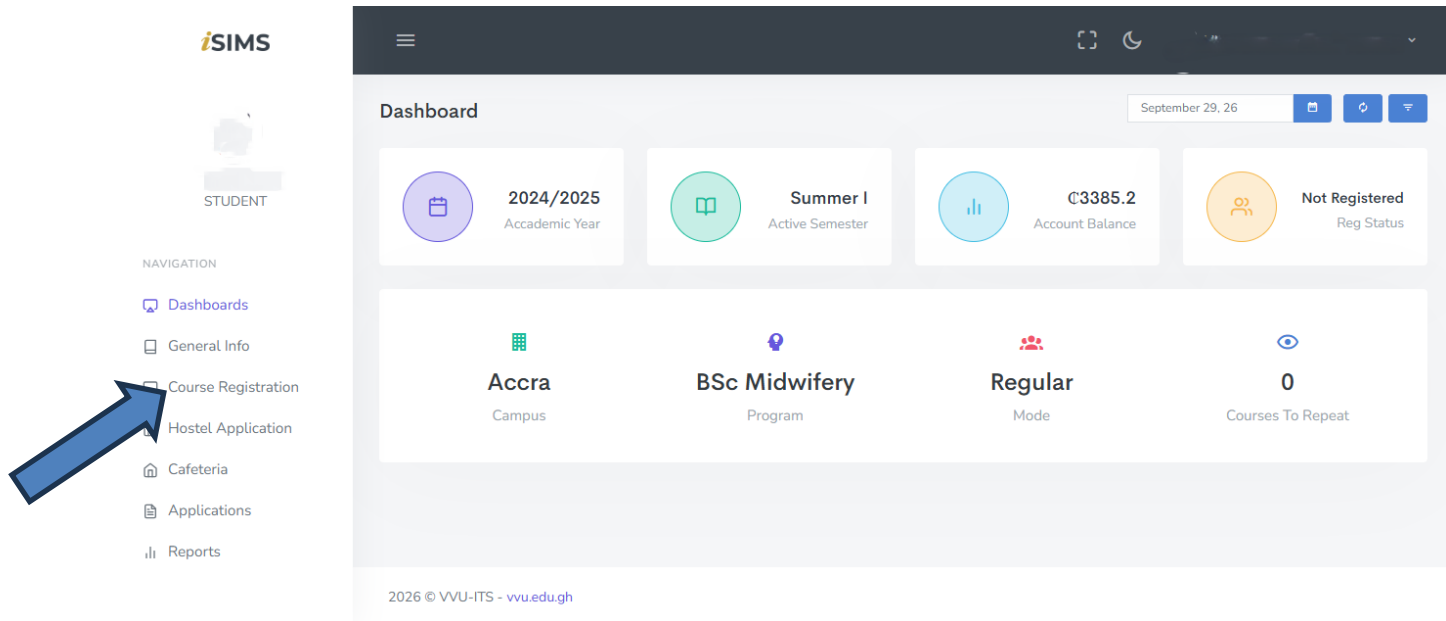

3. Course Registration

Students can register for their semester courses through the Course Registration section of ISIMS.

Step 1: Open Course Registration

From the left-hand sidebar, click:

Course Registration

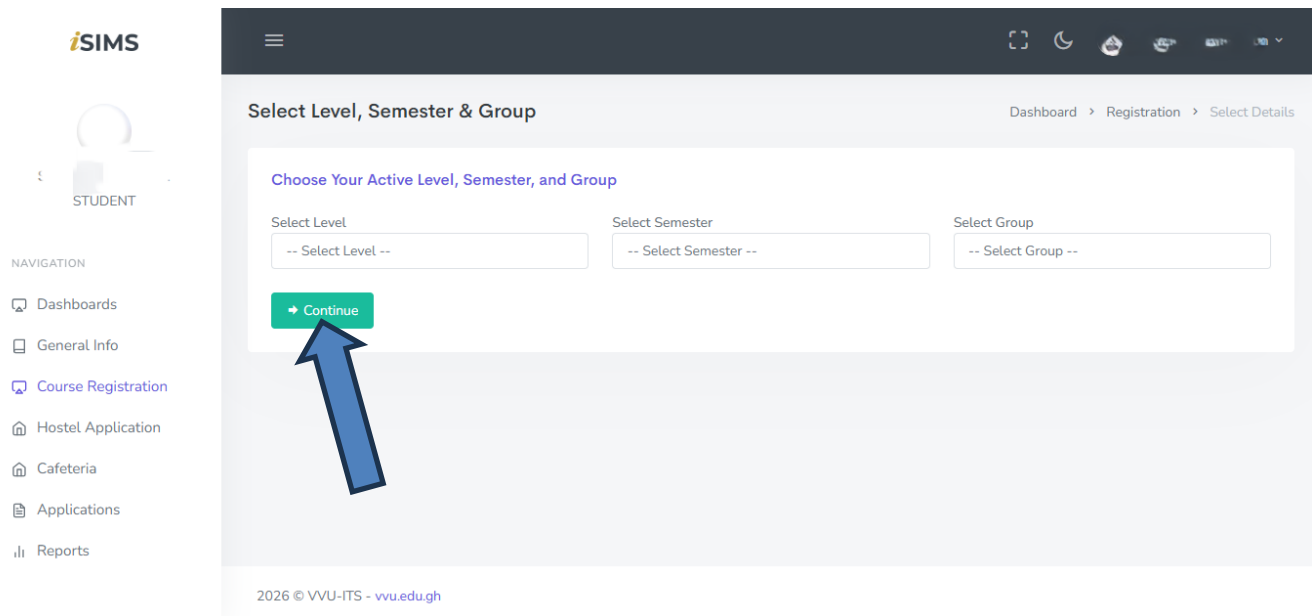

Screenshot 6: Course Registration Menu

Step 2: Select Your Registration Details

Select the required information:

1. Level
2. Active Semester
3. Group Type

Your Group Type should be selected according to the instructions provided by your Department Head.

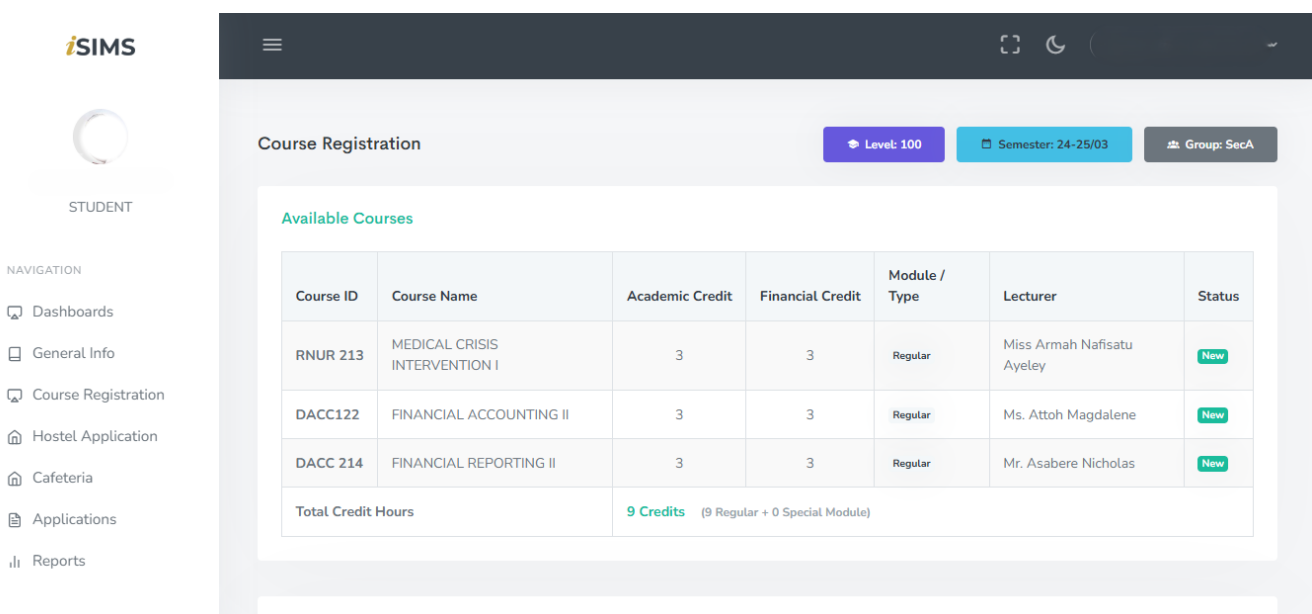

Screenshot 7: Level, Semester and Group Selection

After making your selections, click Continue.

Step 3: Review Available Courses

The system will display the courses available for registration.

Carefully review the list before proceeding.

Screenshot 8: Available Courses

Understanding Blocked Courses

Some courses may appear as Blocked.

A course may be blocked for reasons such as:

1. Already Passed

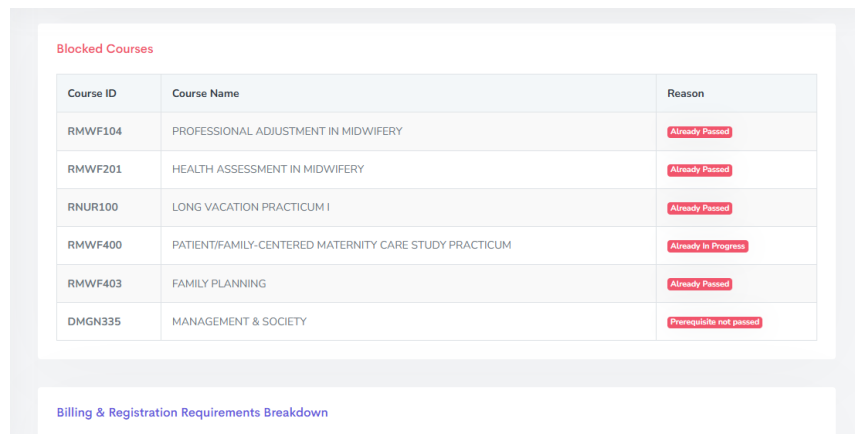

You have previously passed the course and therefore do not need to register for it again.

2. Already in Progress

You have previously registered for the course, but the course has not yet been graded or completed.

3. Prerequisite Not Met

You have not completed the required prerequisite course(s) for the course.

This screenshot shows a 'Blocked Courses' section with a table listing courses and their reasons for being blocked. The table has three columns: Course ID, Course Name, and Reason. The reasons are displayed as red labels at the end of each row.

Course ID	Course Name	Reason
RMWF104	PROFESSIONAL ADJUSTMENT IN MIDWIFERY	Already Passed
RMWF201	HEALTH ASSESSMENT IN MIDWIFERY	Already Passed
RNUR100	LONG VACATION PRACTICUM I	Already Passed
RMWF400	PATIENT/FAMILY-CENTERED MATERNITY CARE STUDY PRACTICUM	Already In Progress
RMWF403	FAMILY PLANNING	Already Passed
DMGN335	MANAGEMENT & SOCIETY	Prerequisite not passed

Below the table is a link for 'Billing & Registration Requirements Breakdown'.

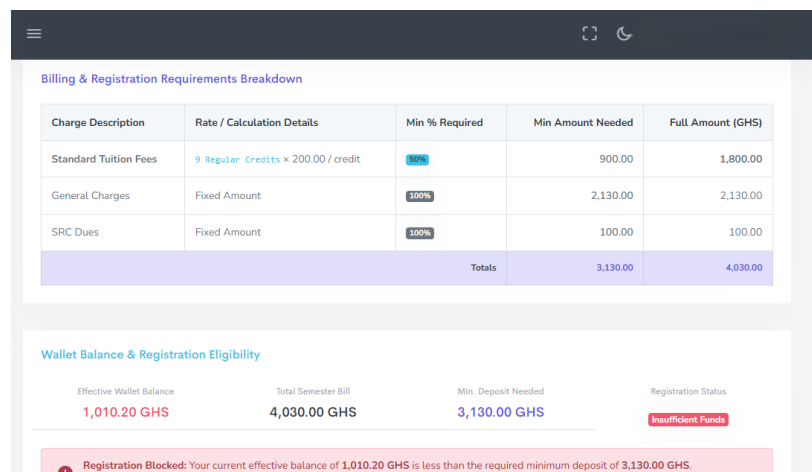

Screenshot 9: Blocked Course Example

Recommended image: Screenshot showing a blocked course. Add arrows or annotations pointing to the blocked status and, if displayed, the reason for the block.

Step 4: Review Your Billing

Scroll down to view the billing breakdown associated with your registration.

Carefully review the charges displayed before submitting your registration.

This screenshot shows the 'Billing & Registration Requirements Breakdown' section. It includes a table of charges and a summary of the wallet balance and registration eligibility.

Charge Description	Rate / Calculation Details	Min % Required	Min Amount Needed	Full Amount (GHS)
Standard Tuition Fees	9 Regular Credits × 200.00 / credit	50%	900.00	1,800.00
General Charges	Fixed Amount	100%	2,130.00	2,130.00
SRC Dues	Fixed Amount	100%	100.00	100.00
Totals			3,130.00	4,030.00

Below the table is a section for 'Wallet Balance & Registration Eligibility'.

Effective Wallet Balance	Total Semester Bill	Min. Deposit Needed	Registration Status
1,010.20 GHS	4,030.00 GHS	3,130.00 GHS	Insufficient Funds

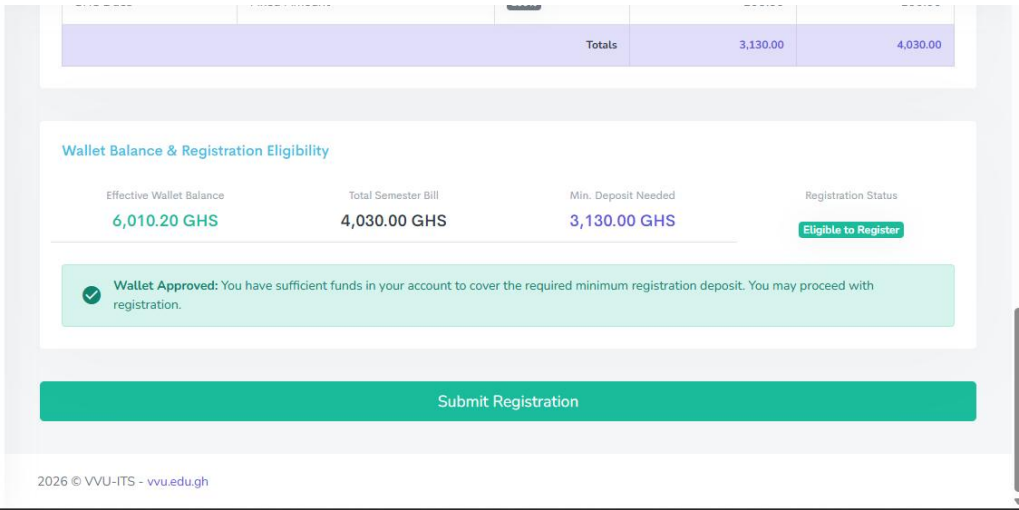

A red banner at the bottom states: 'Registration Blocked: Your current effective balance of 1,010.20 GHS is less than the required minimum deposit of 3,130.00 GHS.'

Screenshot 10: Registration Billing Breakdown

Step 5: Submit Your Registration

If your account balance meets the required minimum balance, the Submit Registration option will be available.

Click: Submit Registration

Screenshot 11: Submit Registration Button

After submitting, wait for the system to process your registration.

Important

Do not refresh or close the browser while the registration is being processed.

After successful registration, verify that your Registration Status has been updated accordingly.

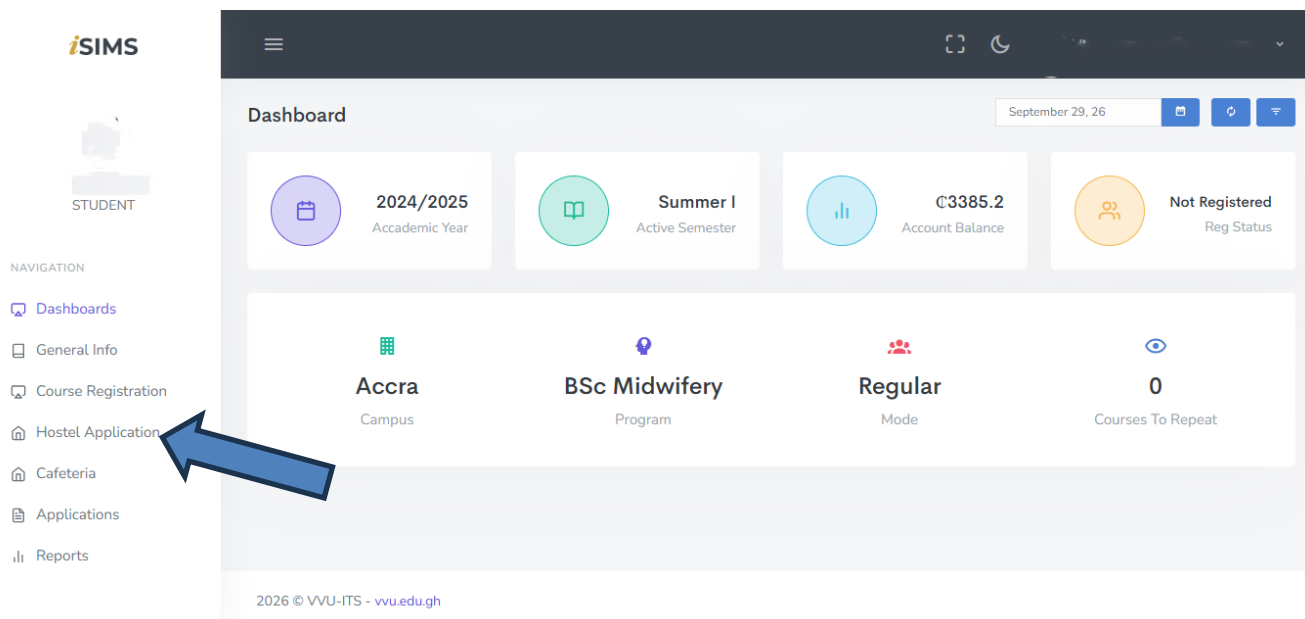

4. Hostel Accommodation Application

Students who are eligible for campus accommodation can apply for a hostel through ISIMS.

Step 1: Open Hostel Application

From the left-hand sidebar, click:

Hostel Application

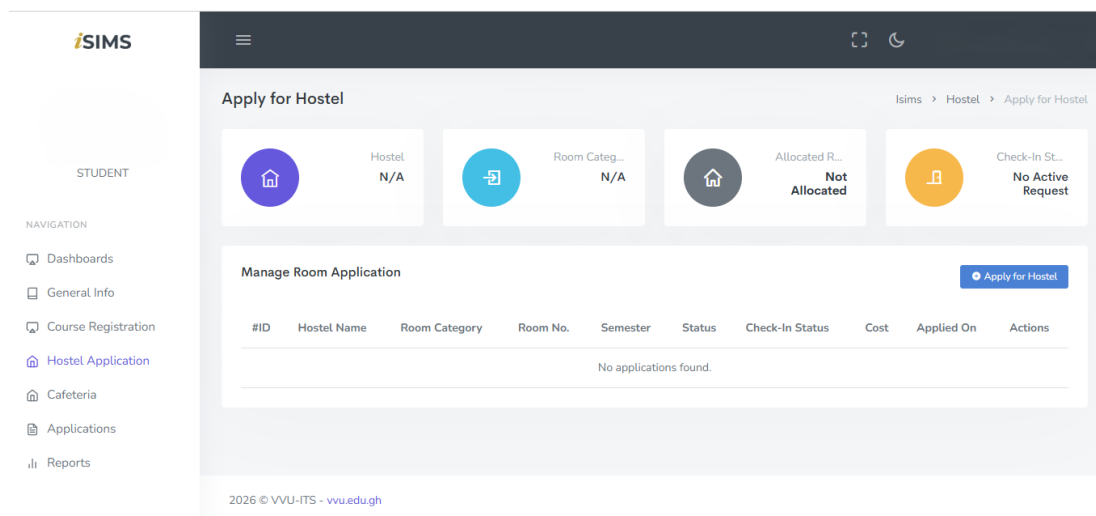

Screenshot 12: Hostel Application Menu

Step 2: Start Your Application

The hostel application portal will open.

Click: Apply for Hostel

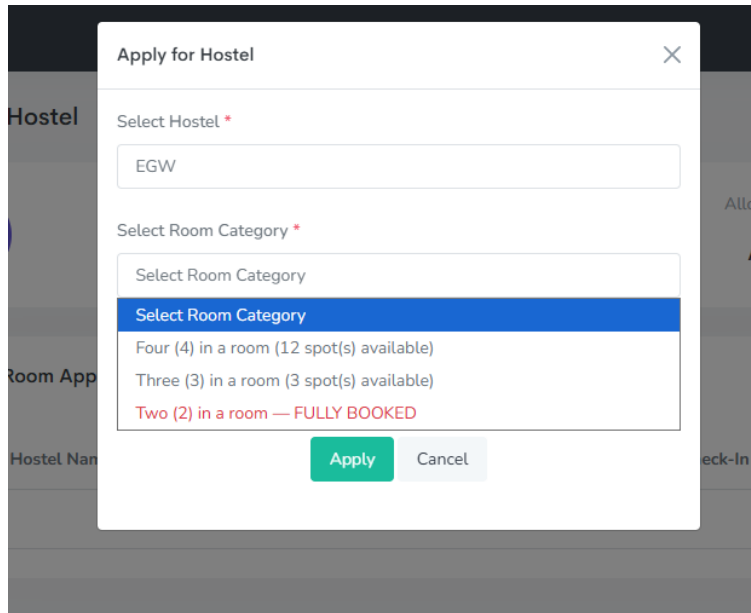

Screenshot 13: Apply for Hostel Button

Step 3: Select Your Preferred Room

A list of available hostel/room options will appear in a dialog box.

Select your preferred room type.

Once you select a room type, the corresponding cost will be displayed automatically.

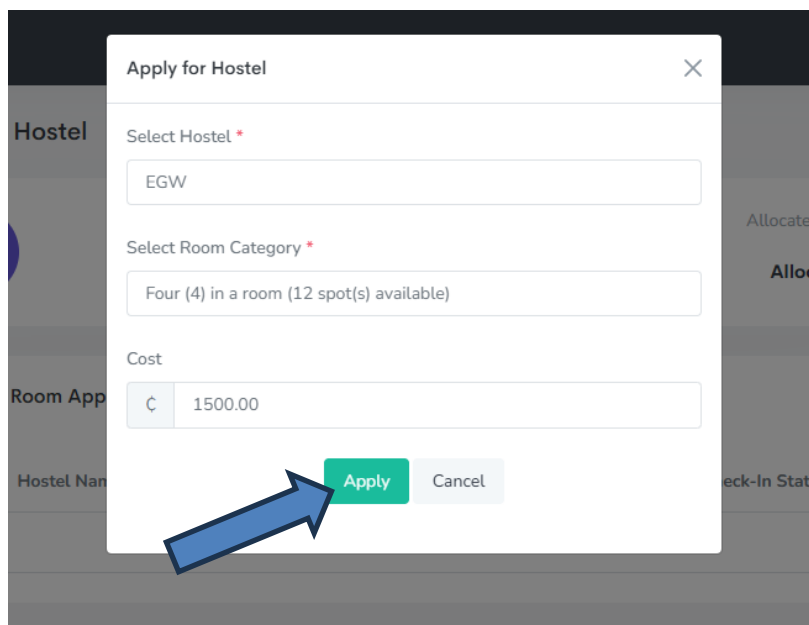

A screenshot of a web application dialog box titled "Apply for Hostel". The dialog has a close button (X) in the top right corner. It contains two main sections: "Select Hostel *" with a dropdown menu showing "EGW", and "Select Room Category *" with a dropdown menu. The dropdown menu is open, showing three options: "Select Room Category" (highlighted in blue), "Four (4) in a room (12 spot(s) available)", and "Three (3) in a room (3 spot(s) available)". Below the dropdown is a red text line that says "Two (2) in a room — FULLY BOOKED". At the bottom of the dialog are two buttons: "Apply" (green) and "Cancel" (grey).

Step 4: Submit Your Hostel Application

Review your selection carefully.

When you are satisfied with your selection, click: Apply

A screenshot of the same "Apply for Hostel" dialog box. The "Select Room Category" dropdown is now closed, and the selected option "Four (4) in a room (12 spot(s) available)" is displayed in the dropdown area. Below this, a "Cost" section shows a currency symbol "₪" followed by the value "1500.00". At the bottom, the "Apply" button (green) and "Cancel" button (grey) are visible. A large blue arrow points from the bottom left towards the "Apply" button.

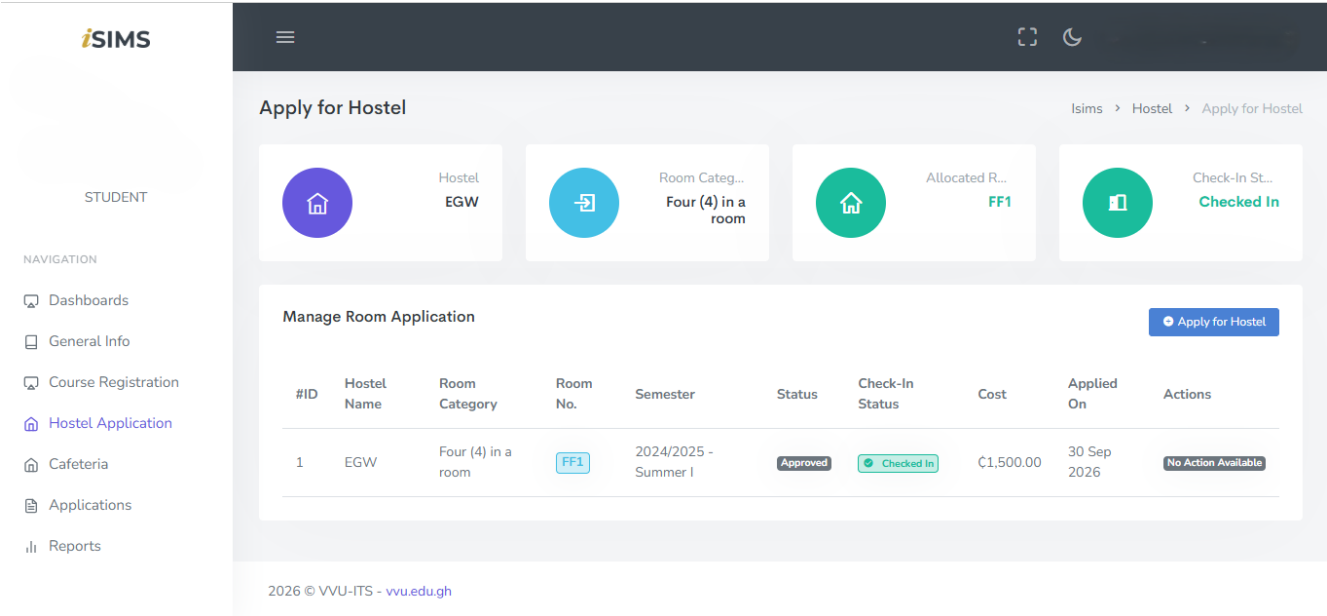

Screenshot 15: Submit Hostel Application

Step 5: Room Confirmation and Allocation

After submitting your application, the Hall Administrator will process the application.

If a room is allocated to you:

- Your allocated room will be displayed in ISIMS.
- Your application status will be updated to Approved.

Screenshot 16: Hostel Allocation Status

Important

Submitting a hostel application does not necessarily mean that a room has already been allocated.

Students should check ISIMS regularly for their allocation status and room information.

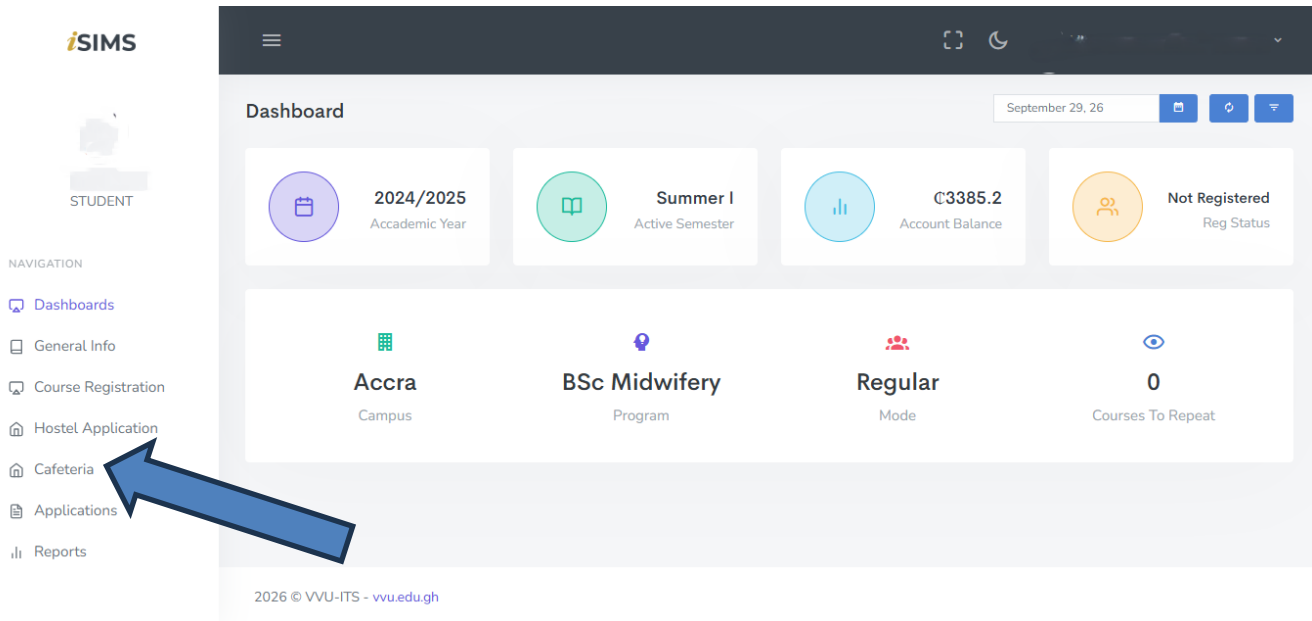

5. Cafeteria Feeding

Students can select their preferred cafeteria meal option through ISIMS.

Step 1: Open the Cafeteria Section

From the ISIMS student portal, navigate to the cafeteria/feeding section.

Click: Proceed to Confirmation

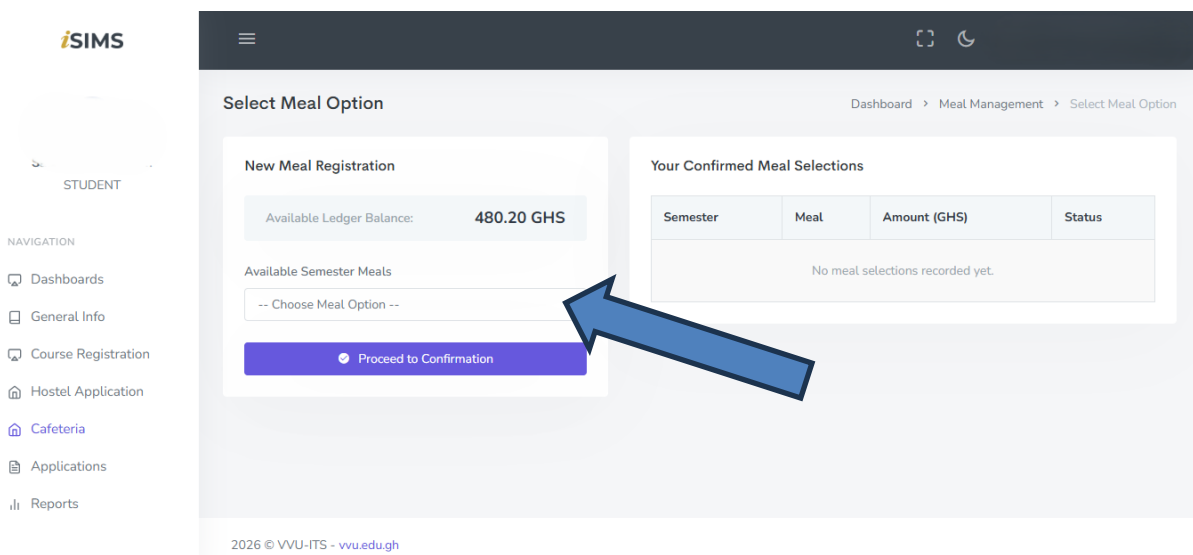

Screenshot 17: Cafeteria Feeding Section

Step 2: Select Your Meal Option

Select your preferred meal option from the available choices.

Review your selection carefully before proceeding.

6. Important Student Notes

Protect Your Login Details

Never share your:

- Student ID
- Password
- Password reset link
- Email account credentials

with another person.

Always Verify Your Information

Before submitting any application or registration, carefully check:

- Semester
- Level
- Courses
- Group
- Billing information
- Hostel room selection

- Meal selection

Keep Your Records

After completing an important transaction, keep a screenshot or record of the confirmation for your personal reference.

Use a Reliable Internet Connection

Ensure that you have a stable internet connection when performing important activities such as:

- Course registration
- Hostel application
- Cafeteria selection

Avoid closing or refreshing the browser while a transaction is being processed.

7. Getting Help and Support

If you experience problems while using ISIMS, first check that:

4. You are using the correct Student ID.
5. Your password is correct.
6. Your internet connection is stable.
7. You have selected the correct semester.
8. Your account meets the requirements for the service you are attempting to use.

For password-related issues that cannot be resolved through the Forgot Password option, contact the Admissions and Records Office.

For other ISIMS-related issues, contact the appropriate University Admissions and Records Office..
